JUBILEE YEAR OF MERCY

Gospel Meditation for Sea Sunday

So, who is our neighbour?
Our neighbour doesn't just mean someone who lives near us; it also means strangers we meet. And when seafarers arrive in a port, they are strangers in a foreign land. Their home can be tens of thousands of miles away.

They don't know the locals. Often they don't speak the language. And they don't know how to do many of the things that we take for granted where we live. Where can I find a shop

where I can buy batteries? How do I get there? Where can I access the internet to contact my family? Where is the nearest church?

It's the stranger that Apostleship of the Sea port chaplains and volunteer ship visitors are there to help when they go on board a ship. Like the Samaritan in the gospel, they are concerned for the welfare of those they meet.

The help they give might include providing a mobile phone top-up card, warm clothes in the winter, or arranging for seafarers to attend Mass. At other times it might mean helping a seafarer resolve an issue with his employer over pay or working conditions.

The Gospel calls us all to help the stranger. Apostleship of the Sea chaplains and ship visitors do this in ports around the country. We can do it where we live, by supporting Sea Sunday. (Taken from *Sea Sunday Resource Book*)

Today is Sea Sunday when the Church prays for all those who live and work at sea. Without them we would not have most of the items we buy in the shops. Today's second collection is for Apostleship of the Sea (AoS), the Church's official maritime welfare agency. It supports seafarers both practically and spiritually. This annual collection is absolutely vital to enable it to continue its work, so please give generously and remember seafarers in your prayers. Thank you. For more information on the work of AoS, please visit www.apostleshipofthesea.org.uk.

Next weekend we will be celebrating Mass for the Feast of St John Plessington – There will be bacon butties served after Mass; there is a list at the back of church for anyone who has particular dietary requirements.

A Big 'Thank You' to the Monthly Coffee Morning and Whist & Domino attendees for the money they raised which has paid for the new table and two chairs in the Presbytery kitchen. They're great! *Father Tom.*

Chivuna Knitting – For some years now, a number of parishioners have given of their time and skills, knitting clothing and bedding for the poor children of Chivuna. It is to their credit that they carry out this great work without fuss or identity. At the same time, it renders the task of thanking them difficult, particularly on behalf of those in Chivuna who have benefitted so much from their efforts. Garstang Friends of Chivuna would therefore like to extend their sincere thanks to all these good people and assure them that we know from our contact with Chivuna how deep this appreciation is felt. We would equally like to thank those who have provided the raw materials and those who have contributed to the cost of sending the goods to Chivuna. Lastly, a special thanks to Margaret Wilcock, without whose untiring dedication to organising the work and sending the finished products to Zambia, nothing would be achieved.

Friends of Chivuna – The minutes of the Chivuna meeting on 1st July 2016 are now available.

St Vincent de Paul Society – Thank you to everyone who contributed to the SVP collection last weekend. A wonderful £238 was raised.

Church Shop – A member of our parish has recently visited Fatima and has brought back some articles which are available for purchase in the church shop.

Did you know....Peru is home to 70% of the tropical glaciers in the world, however, since the 1970s an estimated 40% of glacier coverage has melted in the Cordillera Blanca mountain range in Peru? High in the snow-capped Andes is the vibrant rural community of Cruz de Mayo. The community works together to protect their land. CAFOD's partner, CEAS, the Peruvian Church Social Action Commission, walks with the community, providing support, advice and training, as they work to care for their land, and protect and manage their water resources and protect the beautiful Lake Parón – an important water source for them.

Lancaster LIFE – The Annual General Meeting of the Lancaster Life Group will take place on Tuesday, 19th July 2016 at 7.30 pm in St Bernadette's Social Centre, Bowerham Road, Lancaster. If anyone is interested in supporting this service in any way, there are volunteer forms at the back of church. The address to which to send them is Secretary, Lancaster LIFE Group, The Lighthouse Centre, 1 Townley Street, Morecambe, LA4 5JQ.

Church re-roofing and associated works – Update – I can confirm that these works will start next week, and, subject to weather and any unforeseen circumstances, are expected to be completed by the end of the year. The works will now include re-roofing of the complete roof to the main body of the Church, improvements to insulation levels at roof level, repair and renewal of lead work, gutters and associated works etc. The most urgent areas of the Presbytery roof will also be re-roofed as well as replacement of the heating system. Being able to carry out these works is a reflection on the strength and generosity of our Parish community and the fund-raising efforts that have been made. Thank you. If anyone has any questions or would like further details, please speak to Father Tom or to me. *Manus Adamson.*
